**Please note:**

- Races & Events marked with \* may not be organised by POFROC and will certainly have different entry requirements and sailing instructions.
- SS1 on Monday 1 May, SS7 Polkerris Race & all Cruiser Coastal races (1-4) do not have a Race Officer and are Self Regulating (SR). See POFROC Sailing Instructions para 12.
- ROI/Afloat RO \*\* on Wednesday evenings when there are two race officers, one in the race office & one afloat on the RFYC Tender, then the name in **bold** type will be the Senior Race Officer responsible for coordinating all race operations, courses (in particular mark roundings) and safety boat liaison & coordination.
- Those dates marked \*\*\* are available for one of our Junior sailors (accompanied by a parent) to assist the Race Officer. This activity will enhance their understanding of the Race Office & improve their racing skills. POFROC hopes that each Junior sailor who races regularly will be able to help in the Race Office once each season. There are five dates available during July & August. Please contact Graham Slack for more details.
